RELATIONSHIP

Especially in the toxic stew of social media - what you meant ≠ what gets heard, so printed is ruined.

GRAPHIC DESIGN

So much of it → to say be D.I.Y.

IGNITABLE

Especially to a highly fragmented media audience.

CRISIS RESPONSE

Didn't see that coming, did you?

Now how do you protect your state?

Your patrons? Your facilities?

And what's next?

GOVERNMENT FINANCE

How the hell is this not a mandatory class?

It should be damn near the first thing you learn - where your money comes from.

GRANT writing

And reporting.

And promoting.

And finding the opportunities in the first place.

There's money out there, but you have to learn how to jump through some hoops.

Pitching a project that seems awesome to you isn't necessarily a no-brainer to grantors.

And how to parse that info.
